

On-Demand Reporting

We're Growing Our Business – Let Us Help You Grow Yours

ING understands the importance of best-in-class technology to make it **easier** for you and your clients to manage their retirement plans.

Our On-Demand reporting capabilities give you the opportunity to demonstrate your value to clients by providing customized plan and participant reports at the click of a button and also provide you with the opportunity to identify potential prospects to help grow your business.

For more information on how On-Demand reporting can help grow your business, contact your local ING representative or call our Sales Desk at (866) 481-3653, option 4.

Leading With Technology

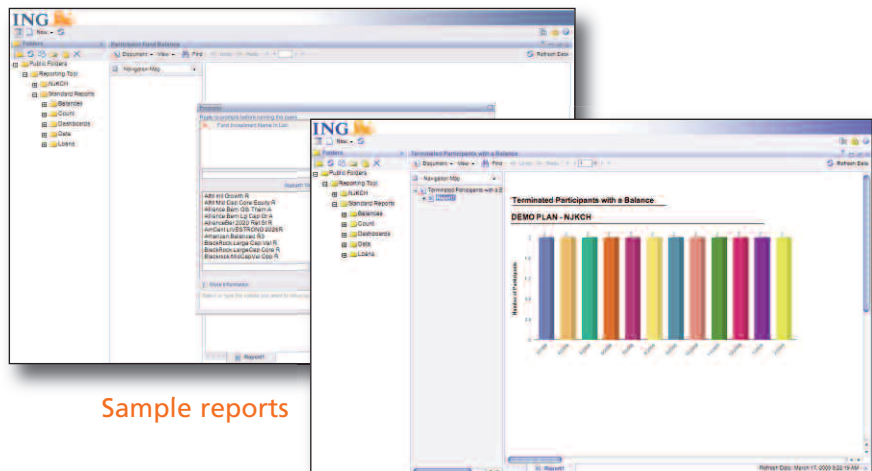

Use the following types of reports available to identify sales opportunities to help grow your business:

Identify participants who are nearing retirement and run a Participant Balance with Age report or the Participant Fund Balances report and use these as a catalyst for retirement planning discussions.

Identify IRA opportunities with the Terminated Participants with a Balance report. These participants may not be aware of the rollover options available to them.

For a guided tour of these capabilities and how they can help you identify potential prospects, we invite you to view the On-Demand Reporting demo at:
